Prayer matters

Ray and June wish to thank everyone for their prayers and concern recently and are pleased to report that the Consultant was reassuring and could find nothing unduly worrying. He has, however, to have a scan at some point to make sure nothing has been missed.

Pray for those struggling with chronic health problems.

Please continue to pray for those mourning the loss of loved ones.

Thought for the week

“Never try to have more faith – just get to know God better. And because God is faithful, the better you know Him, the more you’ll trust Him.” John Ortberg.

“Trust in the Lord with all your heart and lean not on your own understanding; in all your ways acknowledge him, and he will make your paths straight.” Proverbs 3 v 5
